MON PETIT CHOU

WHOLESALE CATALOG

2026-2027

Hey there!

Thanks for stopping by and exploring the newest collections from Mon Petit Chou. I'm Vanessa, the artist and designer behind the brand. My work is deeply inspired by nature—gardens, wildlife, and the quiet beauty found in everyday moments.

Each piece begins as original artwork—often using pressed botanicals, illustration, or natural textures—and is carefully transformed into greeting cards, art prints, and paper goods meant to bring beauty and warmth to everyday life.

What started as a love of art and nature has grown into a collection designed to help people connect, celebrate, and share meaningful moments through thoughtful design. Every product is created with care, with the hope that it will feel special both on the shelf and in someone's hands.

Thank you for being here and for supporting independent artists and small businesses like ours.
